

# SCOTT FISHER

Scott's passion for golf began when he was just 6 years old. He joined his first golf club at the age of 13 and has never looked back since. Scott was even lucky enough to represent NSW from 1996 to 1999.

After gaining his tour card in 2001 and playing on tour for several years (turning pro in the process), Scott decided to establish himself as more than just a player, and at the end of 2005 completed his three year PGA Academy Trainee Course. During his traineeship, Scott won over 6 Pro Ams and finished runner up or within the top 10 in the professional and trainee tournaments he entered.

Having both proven experience as a touring pro and now with a traineeship in teaching / coaching and golf operations firmly under his belt, Scott has gained a wealth of knowledge from his life in golf and is ready to teach it to others.
